Events Overview

Full details are given in the Events Programme overleaf, but read on for a brief overview.

We are very pleased to welcome the [Whiskey River Boys](#) who will be in concert at the school hall adjacent to the campsite on the Friday evening.

For those of you who wish to go into Chepstow town on the Friday evening, you really should not miss the highly recommended [Mike Dawes & Amy Turk](#), who will be in concert at the Chepstow Acoustic Music Club, at the rear of the Castle Inn, Bridge Street. This couple provide a superb, unique sound with their unusual combination of guitar and concert harp.

Also on Friday evening, our local hero [John McConnachie and Friends](#) will be providing a live musical background to the [Beer and Cider Festival](#) at the Coach and Horses pub, Welsh Street.

As well as continuous dancing, Saturday sees a market in the High Street, [Adam Franklin](#)'s Blues Guitar workshop at the Chepstow Acoustic Music Club, followed by music sessions and a sing-around at the same location, and elsewhere and African Drum and Border Morris workshops.

On Saturday evening, you have the choice of the Big Ceilidh with [Asha Ceilidh Band](#) in the school hall next to the campsite, Irish music with [Rose & Christy Arthur](#) at the Chepstow Acoustic Music Club, or superb live music with [Adam Franklin & Jonny Marsden](#) at the Coach and Horses pub. Our good friends Rose and Christy will also perform on the town Bandstand on Sunday afternoon.

All this will be interspersed by Morris Dancing at locations all over the town. For full details, see the Event Programme on the next page.
